declaring God's power to the next generation...one student at a time!

Christian education isn't expensive... *it's priceless!*

FACS...*your* Christian school. Why?

Because we are...

...Partnering with the Family

“The Christian school can be a powerful strategy for parents seeking partners in raising Christ-honoring children...While Christian school teachers will not be perfect, they will share a heart for God and a desire to partner with parents in raising children who will love God, and their neighbors.” - D. Wilcox, PhD.

Love God, Love People, Pass It On!

...Developing the Mind

“When we speak of a Christian mind, we are thinking of a Christian person who has learned – through diligent study, reflection, debate, writing, and deliberation – to see the unity of all truth under God.” - B. Green, PhD.

Bringing the mind of Christ to the task of life!

...Impacting Culture

“Christian education aggressively takes on the culture in a bold attempt to equip students for lifelong leadership and service. At the personal level, Christian education holds up the importance of virtue and the development of true character.” - W. Brown, PhD.
